

APRIL 2020

*Easter Greetings from Ill Sir William Adam Jr, Potentate and
Lady Bernie
The Divan Officers, and Office Staff of Ismailia Shriners*

THE POTENTATE'S MESSAGE

William D. Adam, Jr.
Potentate 2020

Brothers,

I hope this finds all of you and your families safe and healthy.

First and foremost, I wish to thank everyone who worked so hard to get everything ready for our circus which was cancelled due to this Covid-19 virus. It was extremely disappointing to have worked so tirelessly to have circumstances beyond our control stop all of the fun that we have and the good that comes out of the circus. However,

we are all set to go forward with our shows in October.

I am hoping that the restrictions which have been put in place are removed soon. I, for one, miss the comradery and Brotherly love when we get together. These are uncharted waters that we are in with this virus. I know that those of us who are in the public safety and medical fields are seeing the situation change on an hourly basis. The only thing that we all can do is follow the guidelines we are receiving from the state

and local leaders, as well as from Grand Lodge and Imperial.

I just got off the telephone with Tampa regarding the plans if this virus decides to not cooperate and continues throughout the year. Plans are still going forward with the 2020 Imperial Session.

I realize that this article is going to be short this month as all activities are on hold until this subsides.

I know that there may be some people upset that all activities have been cancelled. However, I felt that for the safety of all of our members and family, that this was the prudent course of action to take with the information on hand. I still believe that it was the right thing to do given the average age of our membership.

Until the restrictions are lifted and we can get together again, know that Lady Bernie and I are keeping everyone in our prayers.

Fraternally,
William D. Adam, Jr.

Although our season was shortened by circumstances beyond our control, the Ismailia Shrine Lenten Fish Fries were a great success. This success was due to the many contributions of those preparing, cooking, serving and cleaning up, including washing dishes for these events. The many patrons who supported these dinners helped make a successful season possible. The work of many hands makes the work load lighter. Thank you to all those who contributed and dined with us.

**NEW YORK-ONTARIO SHRINE ASSOCIATION
 CANCELLATION**

The officers of NYOSA met last evening on a conference call, to decide the fate of upcoming events due to the unprecedented situation we all face. Considering the guidance to cancel any event attended by 50 + people, NYOSA Spring Session has been cancelled, as is Kalurah Potentate's Ball. We all look forward to restrictions being lifted in the coming months and that the Fall Session of NYOSA in Corning can proceed. As for Potentate's Balls being re-scheduled, whatever comes across my desk I will forward out accordingly.

Our Treasurer will be contact anyone who sent in registrations/\$\$ for Spring NYOSA. For those who made hotel reservations, you will need to contact the hotel directly. Doubletree Binghamton, 607-722-7575.

Stay Safe, Stay Healthy. Keep the lines of communication open, especially with our senior members.

Scott Kinne, President
 New York-Ontario Shrine Association

Just a quick reminder, do not leave any valuables in your vehicles. There have been more than a few vehicles broken into at the YMCA, and at one of our recent events, one of our Nobles and his wife had theirs broken into in our parking lot. Criminals know that people do a lot of shopping and leave their purchases in the vehicle while running more errands. Most people ignore car alarms as there always seems to be one going off in a large parking lot, or down the street at 3 AM as we are trying to sleep. Stay wglant.

FIRST LADY MESSAGE

Lady Bernie Adam

Hello all. Hoping this finds all well. These are indeed trying times. Please stay safe and check on each other. Hopefully we will get through this soon. God bless.

SHRINERS ON BIKES

The story is told of Vince Lombardi as he addressed the Packers on the first day of training camp. The previous season had been an absolutely humiliating following a 4th quarter defeat by the Philadelphia Eagles. As they prepared for camp in the off-season, the Green Bay players mentally dwelt heavily over their brutal loss all spring and summer.

In his book, *When Pride Still Mattered: A Life Of Vince Lombardi*, author David Maraniss explains what happened when Lombardi walked into training camp in the summer of 1961. "He began with the most elemental statement of all. "Gentlemen," he said, holding a pigskin in his right hand, "this is a football."

The events of the last month have been surreal. A life threatening world-wide viral disease, the Market crashing, empty supermarket shelves. Catastrophic events are dwelling heavily in the minds of many.

Yet, it could very well be the events of this last month are a call to reset and go "back to the basics." These events are a call to return to the values and virtues of what really matters in life; things such as our faith, our family, our friends. This is an opportunity to recapture our values of gratitude, kindness, helping others, charity, and love. Ladies and gentlemen, this is a football! Ladies and gentlemen, this is what our Philanthropy, known as the Shriners of North America, is all about.

The SOBS are praying for your safety and well-being. This crisis will eventually pass, and the motorcycles will come out of storage, yet may this spirit of celebrating the basics of our life together reign supreme far beyond these current days.

Remember to like us on Facebook at <https://www.facebook.com/Shrinersonbikes/> or email our president Tom Koch thomas@stconcartmemorial.com if you would like to join, visit, or just be added to our mailing and group text.

Be safe out there!

AN IMPORTANT MESSAGE FROM YOUR LEADERSHIP

Shriners International

Shriners Hospitals for Children

Dear Nobles,

In times of uncertainty, our strong fraternal bonds lift and support us in ways we could not have imagined. During this unprecedented worldwide health crisis, we are concerned about the health of our families, our fraternal family, our communities, our Shriners Hospitals patients, families and staff, and of course, ourselves. Your leaders of Shriners International and Shriners Hospitals for Children are deeply concerned about each of you as well.

The members of the Joint Boards and the Executive Leadership Team of Shriners Hospitals for Children® have been working diligently on guidance for the COVID-19 coronavirus at both Shriners International Headquarters and each Shriners Hospitals for Children location. We commend the dedication and leadership efforts as they face the challenges before them. Our fraternal and hospital leaders are using technology, like never before, to stay abreast of this very fluid situation, offering guidance and support. Our medical teams are taking all necessary steps and following local, state, federal and worldwide recommendations to care for and protect our patients and their families.

We are aware of the many sacrifices and changes you have made to safeguard our fraternity members, families, and your communities by canceling meetings, events and fundraisers. I know that many of you have been forced to discontinue your valuable volunteer work providing patient transportation and other services at our hospitals. In our recent history, this seems unheard of but we share the legacy of our founders in responding to the needs of our communities, especially those needs of the children of our countries.

Many of you have asked about the status of the 2020 Imperial Session. The Director General of the 2020 Imperial Session and the staff of Shriners International are closely monitoring quickly changing developments as they may affect the upcoming Imperial Session. Of course, the safety of our Nobles and their families is our highest concern.

We are carefully reviewing the guidance provided by the Centers for Disease Control (CDC) and continue to work in close collaboration with the Kansas City Department of Public Health to minimize the risks associated with this virus. Each individual should evaluate their own health situation in connection with the latest information provided by public health professionals in determining whether they should travel. We have every expectation that the 2020 Imperial Session will be an outstanding and extremely positive experience.

We anticipate providing additional updates and information related to Imperial Session 2020 as developments warrant.

Nobles, our hopefulness will make this difficult time more bearable. Your actions and concern during this time can make a difference; we encourage you to care for each other like no other time. Each of you are vital to our fraternity and philanthropy. We have always been in awe of the selfless dedication of our members; We know that these challenges will only make us stronger.

Yours in the faith,

Wines and More For Shriners Postponed

After discussing things over with the Potentate, we are postponing *Wines and More For Shriners*. We regret that the circumstances that caused the cancellation. The safety of the Nobles, Ladies, community and winery, brewer and distillers partners is too important for us. Please thank our partners by patronizing them at their establishments. These local businesses had already signed up for this year's event and help us help kids. There are dozens more from in the past, if you have a favorite wine from a "WINES AT THE SHRINE", please make a point of purchasing those too. We are all in this together.

Otter Creek Brewing, Johnson Estate Winery, 3 Brothers winery and Brewery, Glenora, Knapp, Merritt Estate, Leonard Oakes, five & 20 distillery, Mazza Chautauqua Wine Cellars, Niagara Landing, Opici Distribution, Eveningside, Keuka Spring, Black Button Distilling, Ravines Wine Cellars, 21 Brix, Willow Creek Winery, Victoria Wine Cellars, Heron Hill and Thousand Islands winery.

Recorder's Desk

Joe Hoerner, P.P.

Here is hoping that all of you and your families are doing well and handling this event that is happening in our lives now. Our way of life has sure changed and things are not the same any more. Just sitting here thinking about what to write for this article has changed dramatically. Besides living thru the blizzard of '77 and a few more storms when was the last time you had to stay in the store and away from people and families. When was the last time you went to the store and was rationed as to the amount of one item you could purchase. Last time I remember that was during World War II. Life as it was sure has changed, will it be for the better who knows. We must now live thru this time of sacrifice and hope for the best and hope things will return to some similarity of the past. In the meantime we must all reach out and help one another especially our elderly members to make sure they are okay and to see if they are in need of anything. Just a phone call or email to let them know we are here to help them. We are all Brothers and Brothers help Brothers. I know how hard it is when you are not able to be with your loved ones.

As you all have notice due to edicts of the State and Federal governments our Shrine office is not a normal operation mode and many things are getting done at home and short hours at the Office when necessary. If you need anything just leave a message and we will get back to you. Most all the events for March and April have been cancelled for the time being. When things get back to normal we will decide what the future of these events will be. As everyone knows our 2020 Shrine Circus was cancelled due to events we could not control. This was a major fund raiser for us and is quite a set back but we are looking forward to another circus in October of 2020. We have been getting many calls as to the status of tickets that were bought and everyone is cooperating in the results of the refunds and many people are asking about the October Circus.

I guess the best advice is to take care of yourself and families and watch the *Smile* for upcoming events. Take care stay safe and healthy and see you around the Oasis sometime soon.

Should You Move!!! The Recorder careth little how often you changeth your shirt, collar and socks, but wise unto him who changeth his address so that neither the Recorder nor Uncle Sam can tell where he lieth up his camel. If you moves, please advise the Recorder's office
Don't get lost in the desert.

**GREETINGS FROM ATHOR TEMPLE No. 19,
DAUGHTERS OF THE NILE**

Princess Jen Mazur, Publicity

Happy Spring everyone! While April is typically a busy month for Athor Temple No. 19, Daughters of the Nile, we have found ourselves in unprecedented times by needing to put planned activities on hold while our communities navigate the concerns brought by the Coronavirus. Ladies, we need to do some hard work right now so when this health crisis is over we are ready to work harder than ever for the children in our Shrine hospitals! Practice social distancing, wash your hands often, pray for our children and the nurses, doctors and families that are working so hard to get our children through this. These are indeed scary times, but we will be ready to get back to our very important work. We will have lots to do...Erie hospital visits, Stated Sessions, club meetings, Installation, and lots and lots of projects. Please be on the look out for phone calls, emails, and potential updates for the upcoming future. Stay healthy, ladies and, now more than ever, don't forget to spread kindness and sparkle wherever you are!

95 YEARS YOUNG

The year 2020 is a milestone for Shriners Hospitals for Children in Springfield, Massachusetts, as we are celebrating 95 years of caring for kids! The hospital doors officially opened to patients and families on February 21, 1925, and was originally built to provide pediatric orthopaedic specialty care to children stricken with polio.

To this day, the Springfield Shriners Hospital remains the only freestanding specialty children's hospital in Massachusetts located outside of Boston. It is also one of 22 Shriners Hospitals for Children locations throughout North America, which notably makes up one of the largest pediatric health care systems in the world.

Our focus on treating children with congenital and acquired orthopaedic conditions continues to evolve, leading to the noteworthy expansion of service lines. In the 1990s, the hospital expanded its orthopaedic services to include care for children with cleft lip and palate, rheumatology, and chest wall deformities. Today, the hospital also offers sports health and medicine, inpatient rehabilitation, pediatric urology and fracture care to meet the current health care needs of the pediatric population.

In addition to a broad range of specialty services, families enjoy the convenience of having their child's treatment and therapeutic care provided under one roof. This comprehensive care includes high quality inpatient surgical and outpatient care; a motion analysis center (utilizing a 3D motion capture system), physical, occupational and speech therapies and a state of the art rehabilitation gym; orthotic and prosthetic services; and radiology with ultra-low dose X-ray imaging, in addition to many support services.

In 2019, we treated over 12,000 children in our outpatient and inpatient areas, and look forward to continuing to care for countless more for many years to come.

A Message from Your Imperial Potentate

Dear Fellow Nobles,

First, I would like to **THANK** each of you for what you do every day for our fraternity and for Shriners Hospitals for Children®. Since July, as Cheryl and I have made our visits to the temples and health care locations, we have been continually overwhelmed by the dedication that all of you demonstrate daily for your temples and for the children that we care for.

This time of year, nearly every temple has a ceremonial that brings in new nobles. TODAY I am challenging each of you to find **JUST ONE** new member for your temple's ceremonial this spring. There are many men who would greatly enjoy the opportunity to join the fun and fellowship that we have to offer AND to see those miracles that happen every day for the special children that depend on us. Every temple needs new members – take advantage of your spring ceremonial to bring a new noble into your temple.

Let's ALL renew our PRIDE and ENTHUSIASM for our great fraternity – we are all members of a great fraternity – FREEMASONRY – and, as Shriners, we OWN the World's GREATEST PHILANTHROPY – Shriners Hospitals for Children. Be ready with your "two minute elevator speech" so when someone asks why you are a Shriner you can quickly tell them.

We have a lot to be proud of – we need to tell the world!!

Yours in the faith,

Jeffrey L. Sowder

We are thankful of certain ways to make the face of God, we have faith in you the one for we cannot be where God is not. Just as He has been with us in all our joy-days, He will be with us in our saddest tomorrow.

Membership Update

SHRINER ASSOCIATIONS MEETING CANCELLATIONS

There have been a number of Shrine Associations meeting cancellations this week: Mid Atlantic Shrine Association, Central States Shrine Association and South Atlantic Shrine Association. The New York/Ontario Shrine Association's meeting (April 24 - 25) and the Western Shrine Association's April 29 - May 2 meeting are also cancelled. Given the current state of affairs with the COVID-19 virus, it is foreseeable that additional associations have cancelled, or will be cancelling meetings. Please check with your temple's respective association to learn its plans for any upcoming gathering.

MERIDIAN SUN DEMOLAY

Ed Druves, Chapter Dad

Hello Fellow Nobles!

Your DeMolay Chapter is meeting via the internet until we are 100 percent safe. Members are doing great things in the community (Sweetheart Pearl is making masks for neighbors and hospitals if needed). Here are the pictures from the Blizzard Ball. Join us and be part of these great events.

We collected baskets of food for the Lackawanna food pantry.

As always, contact me (716 208 3346) for details on how to get a young person engaged with Ismailia's DeMolay Chapter
