THE POTENTATE'S MESSAGE

Dennis N. Caldwell Sr.
Potentate 2022

The \$10,000 drawing was a very successful fund raiser for the Shrine; it brought in about \$13,000. There are a dozen happy winners. I always wondered what would happen if the Shrine had a fund raiser and no one showed up to help. Well, I found out with this fund raiser. All of the Divan members were either sick or out of town. Fortunately, Dave and Patti Cammarano bought a ticket to come and when they saw that I had no help, they pitched in to make it happen. Without them, I most likely would have had to cancel it at the last minute. My daughter Tammy Patterson also walked around selling split tickets. The winner received \$380.00 on that and Patti sold lottery tickets which brought in another \$375.00. Not knowing how many people would show up, I ordered enough food for 150-175 people. We had about 85 show up. We had no one to serve the food, so it was a "help yourself". By doing it that way, there were about 5 or 6 people that we didn't have enough food for.

The Shrine fish fries were also a big success, due to the many volunteers

that made it happen. A big thank-you to the cooks, servers, bartenders, dish-washers and others that helped out in the kitchen. Another behind the scenes team that most never see, Rich Mix and his boss Greg Wolf do an awful lot to keep the Shrine running. They are the ones that often set-up tables for various functions, repair everything that breaks, from refrigerators that don't cool, doors that don't close; and they do a lot of clean-up after some of the various functions.

I attended the installation of officers for the Nile and also for Ailiamsi. It was a very nice event and some great food served. If you never attended one of these installations, come out and support our lady organizations; they do an awful lot for the Shrine and our hospitals.

Come out for a nice night out at the Shrine on May 14. Terry Buchwald (Elvis Impersonator) will be performing. Advanced tickets can be purchased in the office or you can buy them at the door.

Always remember that "Team Work" is what keeps the Shrine going. Come out and be part of the team.

Ill. Sir Dennis N. Caldwell

Just a Quick Reminder...

Do not leave any valuables in your vehicles. There have been more than a few vehicles broken into at the YMCA, and at one of our recent events, one of our Nobles and his wife had theirs broken into in our parking lot. Criminals know that people do a lot of shopping and leave their purchases in the vehicle while running more errands. Most people ignore car alarms as there always seems to be one going off in a large parking lot, or down the street at 3 AM as we are trying to sleep. Stay vigilant.

ARABIAN OASIS

Chief Rabban, Noble Ronald Bigger

A little note from the Shrine Oasis, first a BIG thank you to all the great workers who were a constant plus in our success. Some of you have no idea how much work goes into preparing for the Fish Frys every week, it is considerable! But with the helpers we had this year it was less stressful. We believe that for next year's Fish Frys we need to consider raising the price – a lot of work for a little profit.

We know people want to help, but when we have a crew that's got it under control, people should respect that and stay out of the kitchen, so we can do our jobs. The kitchen is not a socialization point; less interference would make things move much more smoothly.

In combination with great kitchen help and great bartenders this year's Fish Frys successfully made the hurdles and accomplished a job well done!

ISMAILIA SHRINERS DIRECTORS STAFF

Ill Sir George Herle P.P.

The Meeting in April was very informative. The food was done by Noble Directors Mark Herle and Greg Wolf, a job well done.

A big thank you to all that helped out at the R.C. Aircraft Show. A large crowd helped our sales very well.

Our next meeting will be Wednesday May 4, 2022 at 6:00 pm. Don't forget about the first Chicken BBQ of the year on Sunday May 1, 2022 starting at Noon and until 4:00 pm or sold out. Then following that is the Terry Buchwald Show 6:30 pm to 10:30 pm. We are looking forward to the Williamsville Parade on Memorial Day, May 30th – the Directors need more information on this.

The Directors are hoping that Noble Larry Persinger is feeling a lot better and joining us soon.

A MESSAGE FROM LADY BERTIE

Another month is almost over. We had our \$10,000 drawing and I know all the winners were very happy. As everyone knows this was our first time having this fund raiser and there are things that don't always go the way they are planned. It would have been nice to have a few more volunteers to help. I would like to thank Dave and Patty Cammarano and my daughter Tammy for their help. We raised almost \$13,000 for the Shrine that day so not too bad for our first time.

We also attended the installation of officers for The Daughters of The Nile and Ailiamsi Courts. We were honored to be there and had a wonderful time at both. Thank You again for having us.

Our fish fries are over and I know that this year we were busier than any other year so far. Everyone from the great cooks, kitchen staff, waitresses and bartenders worked very hard to make our fish fries a success. Many thanks to all of you. Ron and Rita are gonna have a great year being in charge of the Oasis. Our basket raffle did very well too. I again want to thank Janet Lachut and Judy for all their help putting together all those baskets.

Don't forget to get your tickets for the Terry Buckwald dance May 14th. Also we would appreciate anyone who would like to donate a basket or items to make baskets for this event. Everyone loves basket raffles and a lot of people outside the shrine will be attending. – Stay healthy.

Your gift gives Emilia hope

Give Today

"Nothing feels better as a mom AND a nurse than to know their child is in the best of hands within the health care system!" This is how Emilia's mother summarizes their experience with Shriners Hospitals for Children®.

When Emilia was 13 months old, she and her almost-3-year-old brother were playing while lunch was being prepared. Emilia's mother realized her daughter had placed both hands on a wood-burning stove and ran desperately to pull her away from the hot surface.

The local emergency center provided excellent burn care. **But Emilia's hands were badly scarred.** Emilia's family contacted Shriners Hospitals for Children and were seen within just a few days.

The care Emilia received went far beyond just her medical needs. Emilia was met by a world-class team of professionals. At their first appointment, they were met not only by the doctor and nurses, but also a child life specialist who would assist in monitoring Emilia's emotional needs throughout this journey, an occupational therapist who communicated with the family and surgeon, and a social worker who was there to support Emilia's parents and help meet their needs.

Emilia's mother can't say enough about the quality of care her daughter received at Shriners Hospitals for Children, thanks to caring people like you. **"It was nothing less than the most holistic healing experience."**

Today Emilia is an energetic toddler who loves arts and crafts. She loves to color and play with play dough (which has been a great form of hand therapy!)

That's thanks to the support YOU provide. Your generosity helps us care for children with orthopedic conditions, severe burns, spinal cord injuries, and cleft lip and palate. Thank you for helping provide much-needed care to Emilia and all the young patients at Shriners Hospitals for Children!

Please consider giving today to help a child.

Life at the Shrine Begins Again

Here it is... 2 long, hard and scary years until we are able to at least try to establish a normal facsimile of life at the Shrine Temple. The problem of membership has not gone away in that period of time but instead has made our situation more serious than it was before the pandemic started. The "Black Camel" has taken its toll and driven our membership down to around 650 Nobles. The frustrating part of the situation is that the membership team was scheduled to launch a drive one week after the Covid Pandemic hit us.

Now it is time to move forward. Even though the boundaries are still shifting, there is light and opportunity even as we speak (or read). With the leadership out of New York City, the Blue Lodges have worked very hard over the past 6 months to get back into the activities that will reestablish them as the solid leaders they are. As we all know, a strong healthy Lodge is the foundation for all of Masonry. Without them there is no growth in any of our organizations.

The good news is that there are a number of Nobles who have come forward to be part of the membership program. With the help and leadership of Ted Clark, John Budowski, Mike Ferrero and Jay Godios we might just come out ahead. The strategy will be tried and true: 2 or 3 Nobles will visit a Lodge and describe the Shrine's work and purpose. The best way to do this is to have all of you, as you are both Masons and Shriners, host the event in conjunction with your Lodge's monthly meeting. We presented this approach to our Grand Master MW Richard J. Kessler just before the pandemic hit and, given the caveat that the presentation be of high caliber, we had his permission to move forward. Two years later we are ready to get started.

What we can't be is "one hand waving in the breeze". We need all of us to get involved. We need you to gather with the Shriners in your Lodge and set a time to meet with all of your Lodge brothers. Secondly, we need men who will be involved as presenters. My phone number is 416 474 0043. My role is to take as much pressure off everyone as I can so we can exercise the first rule of the Shrine which is to have some fun. Please call me and let's see what slot fits you best.

*In the Spirit of Brotherhood,
Bob Graham.*

I realize this is LONG overdue, but to all the Nobles that came out to Zuleika Grotto #10's Public Installation I wanted to thank you! Growing up in the shrine it meant a lot to everyone who was able to make it. We had a great time, and a great showing from Ismailia. Showing that Unity Exists between both organizations. There will be a few of us coming from the Public Installation, and hopefully soon I will be able to announce a joint event between both groups. Until then, I just wanted to thank you all for those who came out in January.

Joe Hoerner, P.P.

We are now entering the month of May and it sure doesn't seem like winter wants to leave us but warmer weather is sure to come sooner or later. April proved to be a busy month for the Shrine Center with both Ladies organizations having their Installations; the Lenten Fish Fry's were a big undertaking but proved to be very successful thanks to all the volunteers that pitched in with their time and talents. May will be another busy month for the Shrine Center as we'll have our Stated Session on May 11th starting at 7:00 pm. Plan on attending this Session to find out all that has happened since January of 2022. The Shrine is also having a Spring Ceremonial on Wednesday May 25th at 6:00 pm. So now is the time to bring a new Candidate in if you know of anyone wanting to join the Shrine get their application in. We need to increase our Membership and replace those that we have lost. Speaking of lost members there are many that have not paid their dues in some time. These members need to contact the Shrine Office to make arrangements to become current with their dues because the Shrine is no longer able to carry them on the active roster over two years in arrears. So everyone make sure you are current with your dues. If your dues card doesn't have the 2022 sticker on it you are not current. You need to be current to attend Stated Sessions and any balloting that may need to be done.

May will also have many events that will be entertaining to you. We have our famous Chicken BBQs starting May 1st, the Terry Buchwald Show on May 14th. We have the Wine and Beer Festival on May 7th, the Cornhole Tournaments every Wednesday evening at 6:00 pm and soon the parade season will be starting. So there is much to do and much happening at the Shrine Center for your enjoyment. So stay healthy and safe and see you all around the Oasis!!
